I. **SLO Learning Goal** Event Planning

A.	**Selected Standards** Look at the standards associated with your content. Determine what the "big ideas" are for the given instructional period (typically a school year or semester). List the standards and reference number. Where applicable, Utah Core Standards must be identified.	Student will be able to plan an event for school, friends, and/or family.
B.	**SMART Goals** List the SMART goal(s) that target the SLO Learning Goal. **S** - specific, focused on standards and "I can" statements **M** - measurable, can be appropriately and adequately assessed **A** - appropriate, meaningful for students **R** - realistic, achievable within the identified time span **T** - time-limited, can be evaluated within the time span	S: I will plan all parts of an activity. M: Pre and post observations A: Meets standard on SVS Transition Rubric R: Develop some level of mastery for the standard T: Progress monitoring will occur throughout the year.

C.	**SLO (Learning Goal)** Write a description of what students will know and be able to do at the end of the course or grade based on content standards and curriculum. Student will achieve (1-25)% growth to increase ability to plan an event for school, friend, or family activity.

II. Teacher SLO Implementation Plan – Formative, Monitoring

A.	**Strategies For Attaining SLOs** Briefly identify the recommended instructional strategies, artifacts and evidence to be collected and timelines for monitoring student growth.	Instructional Strategies Individual and small group instruction Scanning and monitoring Reinforcement and feedback Individual modifications and adaptations as needed	Evidence/Artifacts Teacher charted records Data Logs Student self monitoring tools	Monitoring Dates Weekly, monthly and/or quarterly

III. Assessment of SLO

A.	**Description of Assessment** A brief description of the pre and post SLO measures should be provided here. It should specifically include sources used in the assessment development. Attach a copy of the pre and post assessments.	South Valley Transition Standards Observational Records Student Logs Anecdotal data
B.	**District Baseline Data or Historical Data/Trends** Baseline data, previous data, or data trends are essential to the SLO since they provide the basis for the SLO growth targets. Provide a description of the data used here.	South Valley Transition Standards
C.	**Evaluating Student Performance** Describe expected student growth achievement using percentages or rubrics. Attach the specific rubric and/or scoring criteria to be used.	Student will achieve (1-25)% growth to increase ability to plan an event for school, friend, or family activity.
D.	**Formative Evaluation** Describe what formative evaluations would be recommended to monitor student progress toward the SLO.	South Valley Transition Standards Observational records Student Logs, anecdotal data

IV. Classroom Assessment Data

A.	**Classroom Baseline Data** Briefly describe data analysis completed after results of pre-assessment. Also consider student achievement information, data analysis from other sources or observational data. (Classroom teacher provides the data.)	
B.	**Achievement** Record the actual percentage of students who achieved the growth goal and reflect on student progress.
