

Extended School Year (ESY) Services Packet

(Please submit this completed checklist with each eligibility packet)

Remember that ALL students on IEPs must be considered for ESY services. Please make sure that you review and understand the following updated documents:

- √ Memo: Extended School Year (ESY) Qualification Procedures and Timelines (January 2020)
- √ JSD Extended School Year (ESY) Guidelines (January 2020)

It is the responsibility of the student’s IEP team to determine ESY eligibility (including the parents). You must submit the following information for all students who are eligible for ESY Services by the **due date of March 26, 2020**. *This date is crucial in order to provide sufficient time for parents to be afforded their rights.*

Indicate that you have completed and included the following items:

- Extended School Year (ESY) Services Packet Checklist*
- Jordan School District ESY Services Plan*
(6 pages total – with additional copies of page 4 as needed)
 - Page 1 – Notice of Eligibility
 - Page 2 – Eligibility Data – Step 1
 - Page 3 – Eligibility Data – Step 2
 - Page 4 – Goals (multiple copies included as needed)
 - Page 5 – Student Information
 - Page 6 – Summer Contact Information – completed with the parents
- A copy of the student’s **ENTIRE** current IEP (it is reviewed for goals, services and eligibility). If a new IEP is developed before ESY starts, please re-submit that new IEP.
- A sample of a completed data sheet for any goals indicated
- A blank data sheet for each goal indicated
- A copy of the student’s current *Health Care Plan* (if applicable)
- A copy of the student’s current *Behavior Intervention Plan – BIP* (if applicable)
- Any materials or tools needed to implement the ESY goal(s)**
ESY teachers have very limited access to materials that look like what your student needs
- For Support Class/Boundary Students Only – **Submit packets to your TS**
