This course is beneficial for: All general education and special education teachers  
Also welcome: Specialists, interventionists, and mental health providers

Topics include:

Antecedents, behavior basics, class-wide and individual interventions, increasing academic effectiveness, data-based decision making, students with unique needs, and personal wellness.

Format:

This 7-week course will be offered online in an asynchronous format. Learners will engage with content and activities via Canvas. *\*Although pacing is flexible, participants must complete the first module within the first week or their spot will go to someone on the waitlist.*

**1 USBE credit and a \$500 stipend is available to licensed employees who successfully complete the course.**

*Note for instructional coaches: You can request to be an observer in the course instead of registering as a learner. Please email Melanie Dawson or Katie Jarvis if you are interested.*
