

Jordan School District Student Learning Objective (SLO) Statement

General Information

District Name	State Funded Course Number	Course Title	Grade(s)
Jordan School District		Essential Elements- Appropriate Behavior	PreK-22
Collaboratively Developed List SLO Development & Assessment team members and roles:			
Administrator SLO Approval Sign-off:		Date:	

I. SLO Learning Goal

A	Selected Standards Look at the standards associated with your content. Determine what the “big ideas” are for the given instructional period (typically a school year or semester). List the standards and reference number. Where applicable, Utah Core Standards must be identified.	Utah Core Curriculum – Kindergarten – Standard 2 – Objective 1.e - The student will increase appropriate behavior
B	SMART Goals List the SMART goal(s) that target the SLO Learning Goal. S - specific, focused on standards and “I can” statements M - measurable, can be appropriately and adequately assessed A - appropriate, meaningful for students R - realistic, achievable within the identified time span T - time-limited, can be evaluated within the time span	S: I can increase my appropriate behavior M: Pre- and post- data A: Meets standards as set forth through USOE-LRBI and PBIS R: Develop some level of mastery for the standard by the end of the year T: Progress monitoring will occur throughout the year
C	SLO (Learning Goal) Write a description of what students will know and be able to do at the end of the course or grade based on content standards and curriculum. Student will achieve (1-25)% growth to increase appropriate behaviors.	

II. Teacher SLO Implementation Plan – Formative, Monitoring

A	Strategies For Attaining SLOs Briefly identify the recommended instructional strategies, artifacts and evidence to be collected and timelines for monitoring student growth.	Instructional Strategies -Least Restrictive Behavioral Interventions -Positive Behavioral Interventions and Supports -Individual and small group instruction -Continuous scanning and monitoring -Immediate reinforcement and feedback -precision commands -scheduling	Evidence/Artifacts -Data logs -Formal and informal observations	Monitoring Dates -pre- and post-assessment

III. Assessment of SLO

A	Description of Assessment A brief description of the pre and post SLO measures should be provided here. It should specifically include sources used in the assessment development. Attach a copy of the pre and post assessments.	The pre-assessment is the student’s current behavioral data The post-assessment is the same as the pre-assessment but is completed at the end of the year.
B	District Baseline Data or Historical Data/Trends Baseline data, previous data, or data trends are essential to the SLO since they provide the basis for the SLO growth targets. Provide a description of the data used here.	

C	Evaluating Student Performance . Describe expected student growth achievement using percentages or rubrics. Attach the specific rubric and/or scoring criteria to be used.	Student will achieve (1-25)% growth to increase appropriate behaviors.
D	Formative Evaluation . Describe what formative evaluations would be recommended to monitor student progress toward the SLO.	The student will increase the following appropriate behaviors _____. (e.g. attending, raising hand, staying in seat, staying with the group, following directions, etc.)
IV. Classroom Assessment Data		
A	Classroom Baseline Data . Briefly describe data analysis completed after results of pre-assessment. Also consider student achievement information, data analysis from other sources or observational data. (Classroom teacher provides the data.)	
B	Achievement . Record the actual percentage of students who achieved the growth goal and reflect on student progress.
