*Provide immediate corrective feedback for incorrect responses.	1. Stop after the incorrect response. 2. Show or tell the student the correct response. 3. Repeat the original cue or question and provide assistance if needed, as the student gives the correct response. If student gives an incorrect response, repeat steps 1-3. 4. Praise the student for correct response.  Sources: - Discrete Trial Error Correction, Cindy Myers, SLC SD - Error correction Cycle, Utah Running Start
