I. SLO Learning Goal Can Access and Give Personal Information

A	Selected Standards . Look at the standards associated with your content. Determine what the “big ideas” are for the given instructional period (typically a school year or semester). List the standards and reference number. Where applicable, Utah Core Standards must be identified.	Will provide personal information for a variety of contexts. (job applications, registration forms, community safety, etc)
B	SMART Goals . List the SMART goal(s) that target the SLO Learning Goal. S - specific, focused on standards and “I can” statements M - measurable, can be appropriately and adequately assessed A - appropriate, meaningful for students R - realistic, achievable within the identified time span T - time-limited, can be evaluated within the time span	S: I can provide personal information either verbally, written or by other compensatory method. M: Pre and Post Assessment A: Meets standards on SVS Transition Rubric R: Develop some level of mastery for the standard. T: Progress monitoring will occur throughout the year.
C	SLO (Learning Goal) . Write a description of what students will know and be able to do at the end of the course or grade based on content standards and curriculum. Student will achieve (1-25)% growth to increase ability to access and give personal information.	

II. Teacher SLO Implementation Plan – Formative, Monitoring

A	Strategies For Attaining SLOs Briefly identify the recommended instructional strategies, artifacts and evidence to be collected and timelines for monitoring student growth.	Instructional Strategies Individual and small group instruction Scanning and monitoring reinforcement and feed back guided practice individual modifications and adaptations as needed	Evidence/Artifacts Teacher charted records Data Logs Student self monitoring tools Completed sample documents showing pre and post	Monitoring Dates Quarterly

B	District Baseline Data or Historical Data/Trends . Baseline data, previous data, or data trends are essential to the SLO since they provide the basis for the SLO growth targets. Provide a description of the data used here.	District approved South Valley Transition Standards
C	Evaluating Student Performance . Describe expected student growth achievement using percentages or rubrics. Attach the specific rubric and/or scoring criteria to be used.	Student will achieve (1-25)% growth to increase ability to access and give personal information.
D	Formative Evaluation . Describe what formative evaluations would be recommended to monitor student progress toward the SLO.	South Valley Transition Standards Observational records Student Logs, anecdotal data
IV. Classroom Assessment Data		
A	Classroom Baseline Data . Briefly describe data analysis completed after results of pre-assessment. Also consider student achievement information, data analysis from other sources or observational data. (Classroom teacher provides the data.)	
B	Achievement . Record the actual percentage of students who achieved the growth goal and reflect on student progress.
