

**Jordan School District
Response to Intervention Tracking Tool**

Student: _____ Grade: _____

Teacher: _____ Area of Concern: _____

If there is more than one area of concern, complete a second *Response to Intervention Tracking Tool*.

Tier 2 or Tier 3 Targeted Instruction/Intervention(s) in area of concern:

Time (minutes weekly): _____ Targeted Skill Deficit: _____

Materials/Curriculum used: _____

What scientifically research-based intervention(s) has been chosen to address the skill deficit in the area of concern?
(The intervention must be implemented with fidelity.)

Intervention #1: _____ Date began: _____

Modified Intervention: _____ Date changed: _____

Intervention #2: _____ Date began: _____

Modified Intervention: _____ Date changed: _____

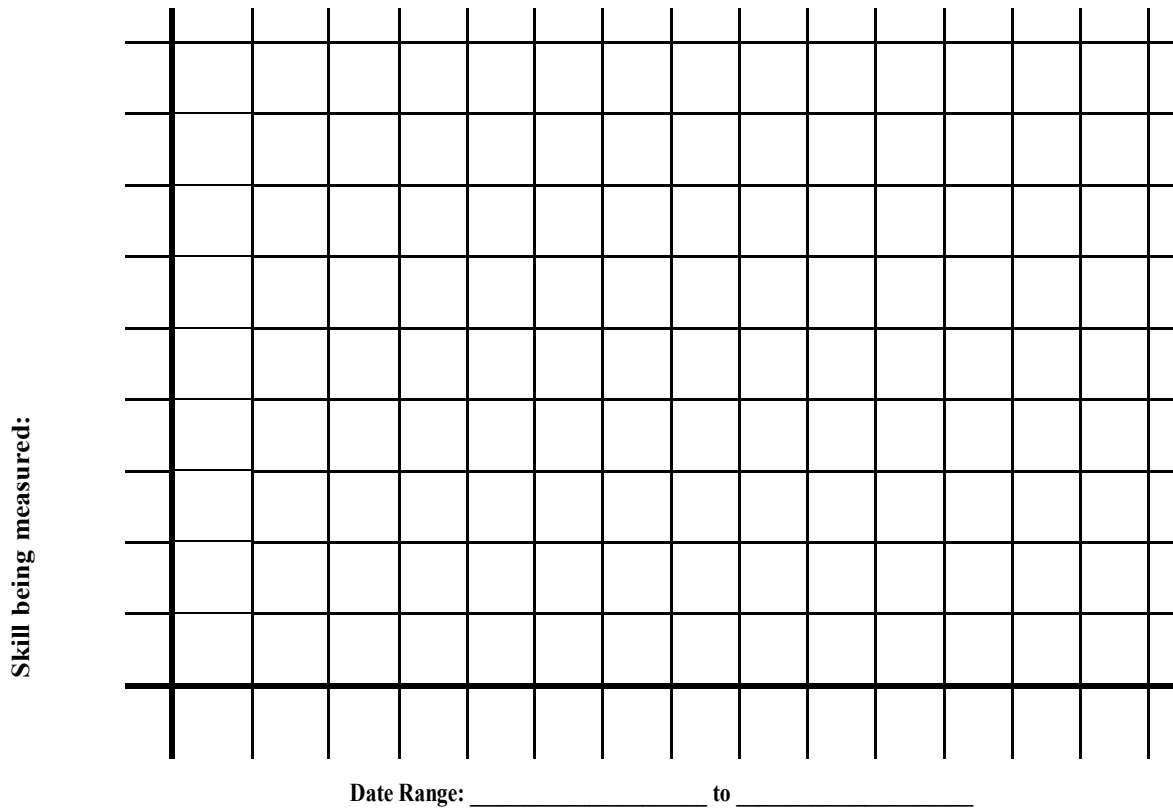

How will you progress monitor the intervention(s) in the area of concern? _____

Baseline Data? _____

Based on the student's instructional level, what is the goal for this intervention?

Use the graph below or attach a graph with your intervention data, including baseline data. The graph should represent 8 to 10 data points in a 6-8 week period in the area of concern.

***If you have graph data, please attach to this.**

What are the data points telling us?

(If the student is not responding to the intervention after three data points, then the intervention should be changed or modified. To indicate that the intervention has changed, draw a vertical line through the graph.)
