

Video Examples of Effective Teaching

The following videos have been selected from the [Teaching Channel](#), “a video showcase – on the Internet and TV – of innovative and effective teaching practices in America’s schools.”

Each video has been assigned a number which corresponds to an effective instructional practice and the corresponding JPAS indicator listed in the table on the previous page.

1. Make it Real: Connecting Math to Life
<https://www.teachingchannel.org/videos/real-world-math-examples>
2. Using Questioning to Develop Understanding
<https://www.teachingchannel.org/videos/questioning-in-the-classroom>
